

DST Drones Price Schedule		
<i>Effective January 2020</i>		
<i>Basic Aerial Photo/ Video Package</i>	Includes all photos and video captured in a 20-30 minute drone flight. This typically includes 10-30 enhanced photos and 5-10 minutes of unedited video. Photos and video are delivered digitally via a download link within 48 hours of flight completion.	\$55
<i>Mapping Services</i>	Creation of a orthomosaic map (similar to Google Map's satellite view, but at a higher resolution and with up-to-date imagery). In addition to the map, a digital elevation model (DEM) and an online interactive 3D model are included (non-survey grade). The quoted price is for up to 100 acres at 2.0 centimeters per pixel, if a larger area is to be mapped or higher resolution is required, please complete a request for quotation on our website. Visit https://www.dstdrones.com/mapping/ to see an example of our mapping capabilities.	\$125
<i>Golf Course Imagery</i>	Includes all photos and video captured in two to four hours of drone flights over an 18-hole golf course. This typically includes 25-50 enhanced photos and 5-10 minutes of an edited highlight video and up to three holes of detail video. Photos and video are delivered via a USB flash drive. Visit https://www.dstdrones.com/eagles-ridge-golf-course/ for an examples of some of our golf course work.	\$250
<i>Out of primary county travel fee</i>	Service area includes Bedford, Blair, Cambria, Clearfield, and Huntingdon counties. Services outside of Blair County will incur a \$15 travel fee.	\$15
Additional Services		
<i>Video Editing</i>	A two to four minute video is created with highlights from the captured aerial video and photos. This video would be suitable for upload to video sharing services such as YouTube or Facebook. Title and contact information slides are added to the beginning and end of the video. Customer provided music can be included (If applicable, customer is responsible for obtaining copyright permissions).	\$15
<i>USB Delivery</i>	Delivery of media files on a USB flash drive via mail or office delivery.	\$5
<i>Customer referrals earn a 20% discount on each party's next flight!</i>		

General Details:

- Aerial photography quotations can be obtained by filling out the form at <https://www.dstdrones.com/requestquote/>.
- Video is recorded at 3840x2160 (4K/16:9) pixels at 24 frames per second (fps). Videos are provided in .MOV format. These video formats allow uploads to popular video hosting sites such as YouTube or Facebook.
- JPG Photos are provided at 5472 x 3648 pixels and are typically 3-5 MB in size. If different photo sizes are needed please discuss before accepting quotation.
- All flights will be insured via Verify or Skywatch with at \$500,000 or \$1,00,000 liability. Proof of insurance is available upon request.
- Scheduling of flights will take place after quotation is accepted unless other arrangements have been made. We will attempt to schedule your flight for no more than two weeks after this quotation is accepted, but we must consider weather and conditions appropriate for filming.
- Prices above do not include sales tax.
